Dear Hal:

I give up on the Enquirer articles.

I suggest you write to Jerry McKnight at Hood College and ask him if he has the possibilities of retrieving them. In the meantime I shall drop him a letter and ask him also.

You wish: National Enquirer

1- "JFK Slaying was part of Military Takeover of the US Government" Sept. 14, 1969 pp. 25 and 26

2- "JFK and RFK Deaths were Plotted by Secret and POwerful Group of U. S. Business Users," December 2, 1975 p. 48.

In the meantime I continue to work on the assassination from the angle of the investigation of the assassination by the federal authorities. The JFK movie is perhaps the worst thing ever to appear on the murder: I call it Warren Report No. 2.

Just reading the new books coming out is beginning to be a chore.

Adios
